

Due to the recent devastating floods in Atlanta which have damaged Six Flags over Georgia, we have decided to cancel the CHEERSPORT Six Flags over Georgia Scrimmage scheduled for Sunday, September 27. We carefully considered all options, but decided this decision was in the best interest of the athletes and teams given the current conditions. Our thoughts and prayers are with those in Atlanta who have been adversely effected by the flooding.

CHEERSPORT will be happy to review a video of your team for LevelPlay questions. Please send your video to Julie.Obrien@cheersport.net.

Please don't hesitate to call us if you have any questions.
